Dog License Application

Per New York State law, all dogs four months of age and older must be licensed in the municipality in which the dog's owner resides.

Rabies vaccines may be administered after the puppy reaches three months of age. A current rabies vaccination is required to obtain a dog's first license as well as annual licensing renewals.

Complete this application and return it by mail or in person to the Village Clerk's Office, 236 Tate Avenue, Buchanan, NY 10511, with the appropriate fee, required rabies vaccination certificate, and spay/neuter certificate, if applicable. If you apply by mail, the dog license and tag will be mailed to you. The dog tag is issued once and is maintained for the life of the dog.

Licenses are renewed annually. You will receive your annual renewal form by mail from the Village Clerk's Office.
