

PUBLIC MEETING

“ON THE WATERFRONT”

The Town of Cortlandt and Village of Buchanan are hosting a public meeting to discuss the Joint Local Waterfront Revitalization Program. A presentation of the draft program will be followed by an open house format meeting. Participants can review and provide feedback on project maps and proposed future waterfront revitalization projects. The public is invited and encouraged to provide community input to this Draft Local Waterfront Revitalization Program at this on-site (not Zoom) meeting. If you are not able to attend in person, project information will be available on town and village websites after the meeting for review and comment.
