---

Last year the Village of Buchanan executed a grant disbursement agreement with NYS Empire State Development (ESD) to receive \$15,416. This grant was initially awarded to the Village in 2019 for the “strategic planning and feasibility study to develop a plan to upgrade the Village’s wastewater facility”. The work was completed by David Smith of Planning & Development Advisors and our office between 2019 and 2021. The Village recently received the reimbursement for this grant.
